ROCKFORD

CHOICE NEIGHBORHOODS TRANSFORMATION PLAN

ROCKFORD HOUSING AUTHORITY | CAMIROS

All too often neighborhoods become known by headlines, statistics and obstacles... no longer.

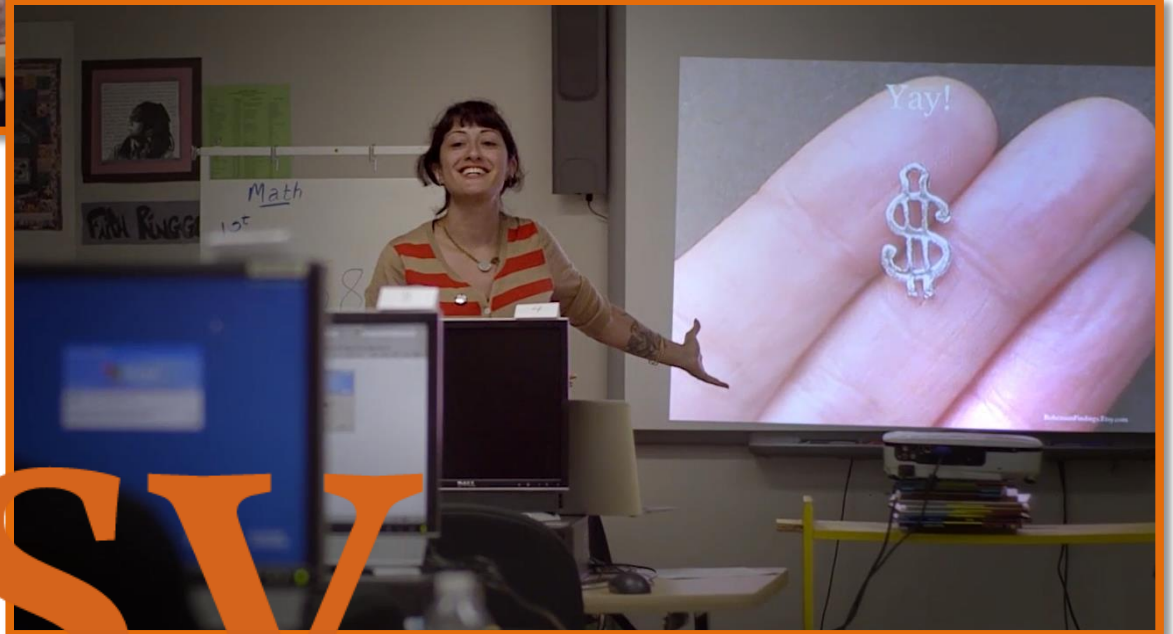

From today forward we believe in creativity, in opportunity, in power, in motivation, in ourselves.

From today forward, we will promote, discover, believe and mix it up!

Unusual Suspects... Unique stories

Etsy

Juanita's story...

Bill's story...

Jamie's story...

And the stories continue...

There will be haters, there will
be doubters, there will be
non-believers,
and then there will be
YOU
proving them wrong.

Lindsey Crumbaugh
Managing Director

OUR VISION

Technology is significantly transforming the way we work. Unbundling projects, creating finer divisions of labor, and contracting out work are cornerstones of the 21st century economy.

We believe that no one should not be excluded from the opportunities that these changes create.

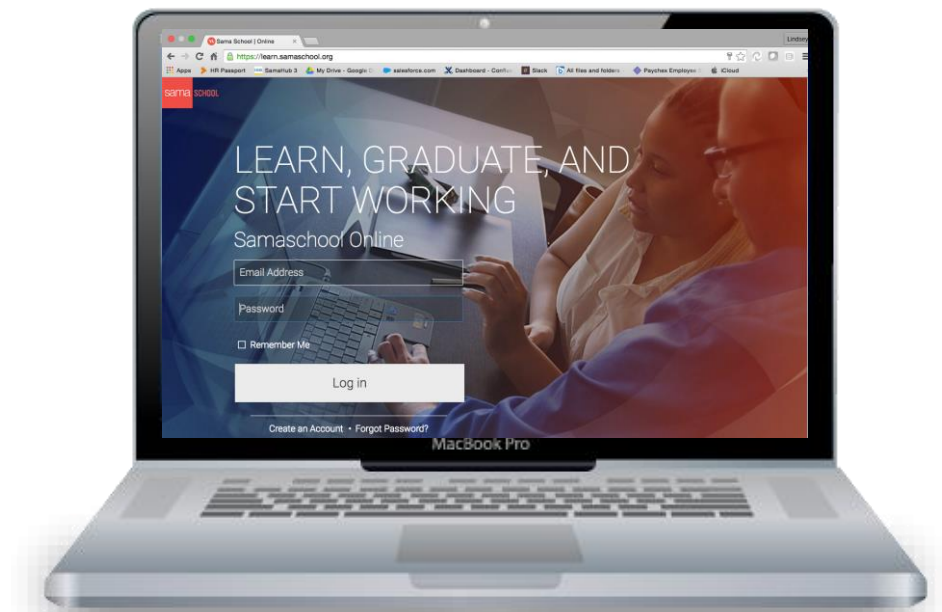

Samaschool trains people to succeed in digital work and the freelancing economy. We seek to build a more inclusive global workforce.

OUR MODEL

We provide populations around the globe with the skills and knowledge necessary to succeed in the digital economy.

We offer in-person training in select cities as well as a free 4- to 6-hour online training program that teaches students about online work:

- What are online work platforms
- How to get started
- How to find jobs
- How to get jobs

OUR Content

Content is delivered through a self-paced, interactive online training platform.

Online Work Basics

Introduction to online work and whether or not it's a fit for you

Understanding Online Work Platforms

Functions and features of different platform types

Avoiding Scams

Common online work scams and how to stay safe online

Starting Out as an Online Freelancer

How to find the right platform and build a great profile

How to Find Jobs

Identify your online offering, find and analyze job opportunities

How to Get Jobs

How to write a great proposal and secure ongoing work

HP LIFE e-Learning used virtually everywhere in the world

A world map illustrating the global reach of HP LIFE e-Learning. The map uses a color scale where darker shades of blue indicate higher usage. The United States, India, and several countries in South America and Africa are highlighted in the darkest blue, signifying the highest adoption rates. Other countries across all continents are shown in lighter shades of blue, indicating widespread but varying levels of usage. The text 'HP LIFE e-Learning used virtually everywhere in the world' is positioned at the top left of the map.

HP LIFE e-Learning

A focus on core business competencies

Content

- Interactive content
- Designed around core business competencies
- Apply learnings to create a business plan using My plan
- Resources for trainers and educators

Startup/innovat e	Finance	Marketing	Operations	Communication

Social entrepreneurship	Finding funding	Selling online	Customer relationship management (CRM)	Effective presentations
	Cash flow	Setting prices	Hiring staff	Business email
	Sales forecasting	Marketing benefits vs. features	Inventory management	Presenting data
		Your target audience	IT for business success	
		Effective business websites	Energy efficiency: Do more for less	

HP LIFE e-Learning – course structure

Each course features six steps:

Start Course: a brief overview of course objectives and components

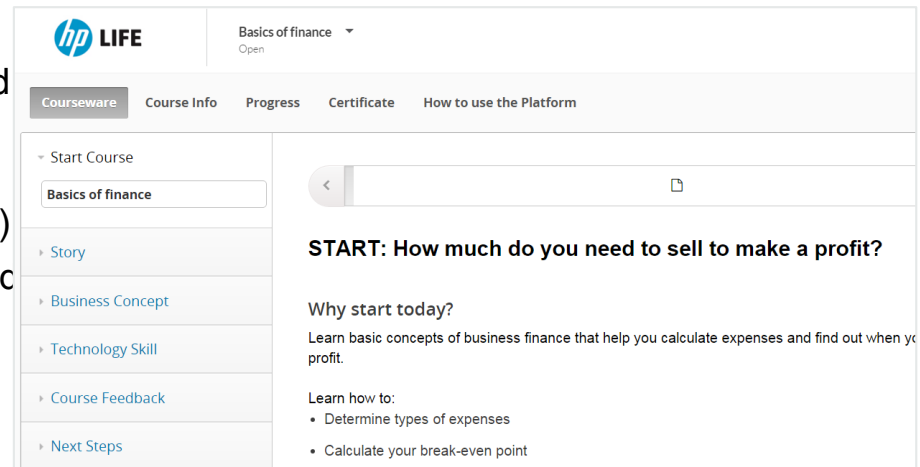

Story: the scenario of a real-life entrepreneur facing a common business challenge (photo novella with audio)

Business Concept: principles and strategies to respond to the business challenge (with guided and unguided interactivities)

Technology Skill: skills linked to the business concept that can help save time and money; includes tutorials, interactivities, and downloadable exercises

Course Feedback: a brief survey to provide feedback on the course

Next Steps: additional resources to dive more deeply into the course topics and skills

HP LIFE e-Learning - certification

- Must complete the Business Concept, Technology Skill and end of course survey to complete a course
- Check **Progress** and if you have a total of 100%, the course has been successfully completed
- You will receive an email within 2 hours of completing a course with a link to download your course completion certificate.

Certificate of completion

Debbie Ledbetter

has successfully completed the **HP LIFE e-Learning**
course on "**Social media marketing**"

Through this self-paced online course, totaling approximately 1 Contact Hour, the above participant actively engaged in an exploration of a range of social media marketing campaigns and learned how to create a Facebook ad to target customers.

Presented 2015-12-10
